

Experienced Bilingual Scale Reviewers (PANSS or SCoRS) Needed for Clinical Trials (Remote)

VeraSci is a transformative clinical research company that provides technological solutions and scientific expertise for pharmaceutical and biotech companies and academic centers. We have powered several hundred clinical trials and pioneered innovative and advanced technological applications for clinical data collection and analytics, improving the lives of patients everywhere. VeraSci is located in Durham, NC near the Duke University campus.

We are currently looking for part-time, as-needed, bilingual clinical experts fluent in one of several European languages (listed below). Primary job functions will include: data review of clinician completed PANSS or SCoRS scales, remote training and assessment of clinicians for certification on the PANSS or SCoRS. Work will be performed remotely, but you must have the ability to meet 24-to-48-hour turnaround timelines with reviews. Training will be conducted remotely.

Requirements:

- Doctoral or Master's level degree in clinical psychology, psychiatry, or regional equivalent.
- Clinical experience including the assessment of patients with schizophrenia.
- Specific experience in the administration and review of the Positive and Negative Syndrome Scale (PANSS) or other semi-structured clinical interviews is necessary.
- Fluency in both English and one of the following languages:
 - Chinese (Simplified) (China)
 - Chinese (Traditional) (Taiwan)
 - Croatian
 - Czech
 - Danish (Denmark)
 - Dutch (Belgium, Netherlands)
 - Finnish
 - French (France, Belgium)
 - German
 - Greek
 - Hungarian
 - Italian
 - Japanese
 - Korean
 - Lithuanian
 - Norwegian

- Polish
 - Portuguese (Brazil)
 - Romanian
 - Russian (Lithuania, Russia)
 - Serbian
 - Slovakian
 - Spanish (Argentina, Chile, Colombia, Mexico, USA, Spain)
 - Swedish (Sweden, Finland)
 - Ukrainian
- Including the ability to speak, read and write in both languages. A validation test may be performed.
 - Some weekday, daytime availability, and flexibility to complete reviews is required.

This is a part-time contract position. The scope of work and time commitment will vary depending on study enrollment and requirements.
